Elevating Wellness in Park County

TOP NEWS

- August is National Immunization Awareness Month

ROUTINE VACCINES FOR COLORADO SCHOOLS. WE'RE DOING OUR PART. WILL YOU DO YOURS?

Public health agencies, health care providers, hospitals, schools, community partners, pharmacists, and families are joining together to increase vaccination rates in Colorado.

Join us and do your part to keep vaccine-preventable diseases out of Colorado and out of our schools.

COVax4Kids.org helps people find out if their children are eligible for free or low-cost vaccines, as well as where to find them.

ChildVaccineCO.org has more information on routine vaccinations.

COVaxRates.org makes it easy to look up vaccination and exemption rates for schools and childcare facilities in Colorado so they can make the best decision for their children.

COVaxRecords.org shows people how to request vaccination records for their children.

WHY IS IT IMPORTANT TO GET VACCINATED?

- Vaccines prevent disease that can be serious.
- Vaccines are incredibly safe.
- Vaccines protect us and our community.

WHAT'S REQUIRED FOR SCHOOL?

Which vaccines are required for school and childcare entry?
Visit [School-required vaccines | Department of Public Health & Environment \(colorado.gov\)](#) for more information.

MAKE SURE YOUR CHILD IS UP TO DATE ON ROUTINE VACCINES.

Beat the back-to-school rush

Three ways to have a healthier school year:

- Find out which vaccine(s) your child needs (links below).
- Make an appointment for a well-child checkup and/or vaccinations.
- Schedule future vaccines now to stay up-to-date.

It's easy to get the information you need, visit:

for free or low-cost vaccine options.

to learn about school-level vaccine rates.

to make vaccine record requests.

LET'S CONNECT!

To speak to an immunization nurse at Park County Public Health Agency about obtaining a vaccine record or receiving a vaccine please call 719-836-4174.
